what is einnim?

Einnim is a candle bar + apothecary, located in Oak Park, IL. We offer locally crafted apothecary products, and more. Einnim launched in May of 2020 as a means to help our fellow immunocompromised friends find a way to cope with the uncontrollables of society.

the pouring experience

All candles are poured into a 9 oz clear glass vessel set with a cotton wick (**unless requested otherwise**).

We only use premium soy wax for our candles offering a natural, non-toxin experience and clean scent throw.

While we do source **ESSENTIAL OILS** that are **all natural**, we do offer a small selection of fragrance oils.

Please let us know ahead of time if you would prefer to stick with all natural ingredients and we will be sure to comply with your requests.
